Volunteers:

To put on an event such as this, it takes numerous volunteers. We are grateful for the help and support from everyone who has contributed, kids and kids at heart. Thank you especially to the students who designed and are running the obstacle course, the Dimond Z Club for helping in the chalet, the South JrROTC cadets for helping in the stadium, the Anchorage Skijoring Club & their canines & to Mrs Ellinwood & the Huffman Elem 2nd graders for the art work.
