

The team of Hunter Wonders, Josh Greenway, and Alex Kilby posted the fastest team time in Biathlon Race #6 Sunday at Kincaid Park.

The three bested six other teams in the two course, two shooting stage event. One skier from each team skied a 1 kilometer loop while the other two each skied a 750 meter loop. All skiers each completed two shooting stages, skiing a 50 meter penalty loop for each missed target. Beginning racers shot on off-hand targets in prone position with the assistance of stands. More advanced juniors shot on in prone position on prone targets. Older juniors and adults shot in prone and standing positions on prone and standing targets.
