Event

Anchorage Cup Sprint Relay

Forecast

Tonight: Mostly cloudy. Lows 15 to 25 except 5 to 15 above east Anchorage.
Sunday: Mostly cloudy in the morning then becoming partly cloudy. Highs in the upper 20s except 10 to 15 above east Anchorage. East wind to 10 mph except southeast 20 to 35 mph along Turnagain Arm and higher elevations

Structure

A medium "V" structure with the new T0403 structure roller tool, will be fast!

Glide Wax

Start with a layer of Ch6 to harden the base up due to the ice in the snow, then with a final race layer of the following:
Fast Skis: LF7
Faster Skis: HF7
Fastest Skis: HF7 with Super Cera

Kick Wax
