

Solstice Tree Tour

KINCAID PARK

December 17, 2017

Stand out in the darkness- become a part of Anchorage's newest winter tradition!

The Nordic Skiing

Association of Anchorage

is committed to healthy living and enhancing the quality of life for Anchorage, one trail at a time. NSAA creates and maintains most of Anchorage's amazing trails year-round and that is not cheap. Help our community trails as well as your business by supporting the Solstice Tree Tour hosted by NSAA. This uniquely Alaskan celebration of winter showcases one of Kincaid's most popular trails- the 2.5 K Mize Loop. Local businesses sponsor and decorate trees along the trail where for one time only, there will be walking allowed as well as skiing (demos available). Hot chocolate, coffee, s'mores and other goodies will be located around the trail at burn barrel warming stations. Almost 2,000 people attended the inaugural Tree Tour event last year with front-page coverage on ADN as well as live news reports during the event on both KTUU and KTVA. Come be a part of this great new tradition!

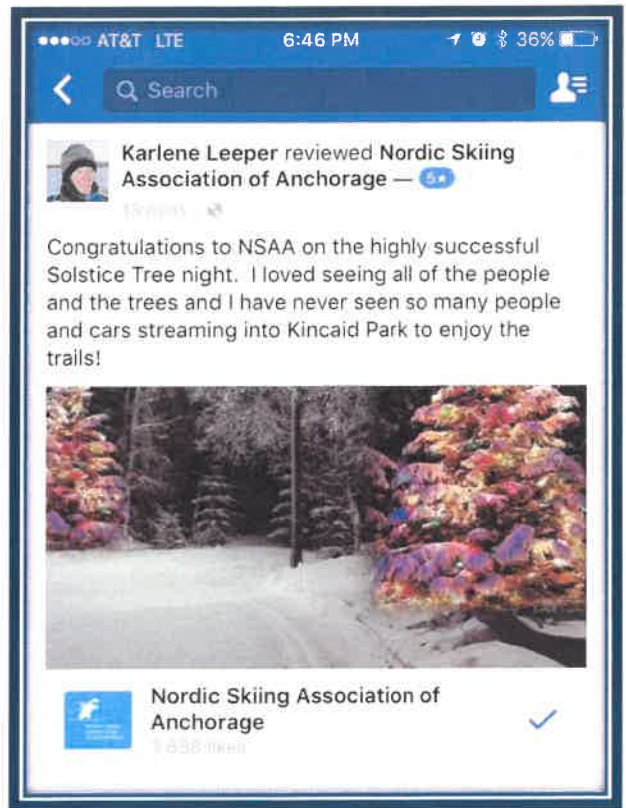

Get Involved!

Support NSAA while advertising for your business by:

- Sponsoring and decorating a tree
- Sponsoring/providing food and/or beverages
- Providing other sponsorships as needed
- Volunteering to decorate, make ice lanterns, clean up, etc.
