Dear Sir/Ma’am,

The Nordic Skiing Association of Anchorage is pleased to invite local businesses and organizations to become sponsors of the **2022 Tour of Anchorage**. As the Executive Director of NSAA, I am excited for March 6, 2022, when we will bring together cross-country skiers and fat bikers from around the country to enjoy Anchorage’s beautiful trails and participate in one of North America’s largest races.

Annually, the Tour attracts approximately 1,000 racers (ages 8 to 81) to participate in one of four ski divisions or three bike divisions. Skiers of all abilities, from beginning skiers to elite racers, enjoy this unique community experience skiing the 25k classic, 25k freestyle, 40k freestyle or 50k freestyle event. 2022 marks the fourth year of the Fat Bike Tour of Anchorage and has been a great opportunity to pull in all kinds of trail users to the event.

The Tour receives excellent media attention and can offer numerous ways to highlight your generous sponsorship: online, statewide newsletter, event merchandise, two start locations, large finish area and at the popular awards following held after the event. Details for donor categories and recognition are listed on page two.

As we approach the **2022 Tour of Anchorage**, we are depending on the assistance of sponsors like you. Your sponsorship of this successful, highly visible event promotes a healthy winter activity, supports youth groups and raises valuable funds for Anchorage’s year-round trail system.

The Tour of Anchorage organizers, NSAA Board of Directors and event participants thank you in advance for your support.

Sincerely,

Kikkan Randall
Executive Director
